important information

Throughout this member guide certain words and phrases appear in **bold** type. This indicates that they have a special medical or legal meaning. Please refer to section five 'definitions'.

1. contacting us

We understand that there may be times when you need to contact us for information. Your queries may involve clarification of the cover you have, whether a particular medical condition is covered under the policy, how to make a claim or obtain pre-authorisation for your treatment, or to understand the status of your claim. Below are the key details.

your membership card

All of **your** key contact information is detailed on **your** membership card.

We recommend that you carry your membership card with you at all times. This card holds your personal membership number and enables us to identify you.

your member portal

Your member portal allows **you** to submit **your** claims online to review the status of **your** claim and to look up provider details on **our** provider network.

The member portal has details of the toll-free numbers nearest to **you**. Please access the portal for further details.

For claims inside UAE: www.mednet-uae.com

For claims outside UAE: www.mobile.generalihealth.com

2. membership pack

This member guide forms part of your membership pack which consists of the following documents / items:

membership card

The plan has been designed to be with **you** when **you** need it most and for this reason **we** provide a personalised membership card for **you** and each **insured person** in **your** family.

Please note that the possession of this card does not necessarily guarantee **cover**. If **you** are no longer covered by the **policy**, **your** card and membership number will be ineffective.

If you or any insured person loses a membership card, or if a correction is required, simply contact **us** and **we** will arrange for a new card to be sent to you. If you have urgent need of a new card, a temporary version is always available to be downloaded from your member portal.

certificate of insurance

Your certificate of insurance outlines the level of cover under the policy and provides information on:

- what area of the world you are covered for
- the effective start date of your cover
- the benefits, conditions and exclusions
- the renewal date of the policy
- the names and date of entry of any dependent covered by the policy
- any **deductible**, **co-insurance** and **waiting periods** that may apply; and
- the underwriting terms applicable to the policy.

You will receive a certificate of insurance when:

- you join Global Choice
- you change any personal details (e.g. add or remove any dependents)
- your cover is renewed at the beginning of each group renewal date

Please check both **your** membership card and **certificate of insurance** to confirm all personal information is correct. Please contact **us** as soon as possible if any corrections are required.

You should look after **your certificate of insurance** as **you** may need to produce this in certain jurisdictions to renew **your** visa and to demonstrate proof of **coverage**.

benefit schedule

The **benefit schedule** outlines all the healthcare services and procedures that are covered by the **policy**. Please read this carefully so that **you** understand what is and what is not covered and the financial limits that apply.

3. understanding your policy

Your policy is designed to provide financial protection for the times you may require treatment and have incurred a financial cost. Your benefit schedule and certificate of insurance will confirm which benefits are available to you.

In order to help us support you effectively we recommend that you contact us in order to preauthorise any admission to hospital, surgical treatment or major scans such as an MRI, CT or PET scan. This will enable us to review the required treatment and associated costs and confirm whether you will be covered under the terms of your policy. We recommend you notify us prior to any planned, non-emergency admission or treatment. You can refer to the back of your membership card for contact details of our international customer services team, or in section one of this document. Alternatively, a pre-authorisation form can also be obtained from your secure member portal. There are some services where **we** actively require **you** to pre-authorise and these are listed below:

- any treatment in the United States of America
- cancer care
- emergency assistance and evacuation & repatriation services, including repatriation of mortal remains
- compassionate travel
- reconstructive / remedial surgery
- hospice care
- psychiatric treatment and psychotherapy (in-patient care)
- home nursing
- transplant services
- rehabilitation and therapies
- renal dialysis; and
- new born care

These **benefits** are marked with a (\mathbf{r}) in **your benefit schedule**.

You can access our services through our international customer service team. The contact details are available on the back of your membership card and in section one of this booklet.

important information

Failure to pre-authorise services with mandatory pre-authorisation, may mean that some or all of the costs involved will be your responsibility to pay.

4. how to make a claim

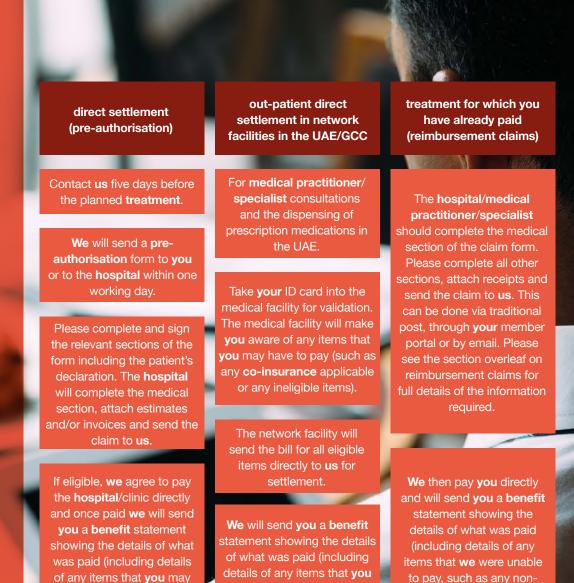

There are different ways in which **your** claim can be settled. For some **treatments we** will be able to arrange direct settlement of the costs with the medical provider. These will include pre-authorised **treatment** as well as certain **out-patient** services within **our** provider network.

There are certain **treatments** that are not available for direct settlement, or do not fall within **our** provider network. For these **treatments you** will be required to pay for the cost of the claim and seek reimbursement from **us** for all eligible expenses.

If you receive **treatment** that is not eligible under **your policy** through the **out-patient** direct settlement network, **you** are liable for the costs incurred. We may offset valid claims against outstanding funds due to **us** or **we** may suspend **your benefits** until the **policyholder** or **you** have settled the outstanding amounts due to **us** in full.

important information

- pre-authorisation does not guarantee that all costs and expenses that are incurred will be covered.
- we reserve the right to review each claim for medical expenses incurred and accordingly coverage will be determined according to the terms, conditions and exclusions of this policy.
- all other costs and expenses that are not covered under this **policy** must be settled directly with the network provider and **we** shall have no liability in this regard.
- for in-patient stays that extend beyond the pre-agreed duration indicated on your pre-authorisation form, you or your medical practitioner must send us a medical report before the pre-authorised duration ends, confirming any complications necessitating the extended hospital stay, treatment already given, proposed treatment and discharge date.

4. how to make a claim (continued)

reimbursement claims

A reimbursement claim form can be can be downloaded from **your** member portal at **www.mobile.generalihealth.com**

Please fill in the relevant section of the claim form completely. Failure to complete all sections of the form could result in a delay to **your** claim.

Always get the medical section of the claim form completed by **your** treating **medical practitioner/specialist** (or get a medical report) and attach it with other reimbursement documents.

The following documents should be attached to your form:

- any itemised bills provided
- payment receipts / credit card slips
- prescriptions
- discharge summary (in case of hospital admission).

When submitting a claim, please make copies of **your** claim documentation and send these to **us**. **You** should keep all original claim documentation as **we** may request these at a later date.

It may not always be possible to assess the eligibility of **your** claim from the claim form alone, therefore **we** may sometimes ask **you** for additional information. This will only ever be reasonable information that **we** need to assess **your** claim.

You can submit a reimbursement claim online via your member portal at www.mednet-uae.com (for claims inside UAE) or

www.mobile.generalihealth.com (for claims outside UAE)

We shall settle or reject a claim, as the case may be, within 30 days of the receipt of last necessary document.

important information

- You can track the progress of your claim by logging onto your member portal.
- You should send us your claim within 6 months of the treatment date.
- please note that any fee that your medical practitioner / specialist may charge for completing a preauthorisation or claim form is your responsibility to pay.
- we recommend that you keep copies of all documents that have been forwarded to us for your records.

receiving treatment in the United States of America

If you require treatment in the USA, please check if you have coverage for treatment in this geographical area, as there may be restrictions in the cover that is provided under your policy. We strongly recommend you pre-authorise any treatment in the USA with us. Treatment costs in the USA can be expensive and so we work hard to create a medical network of hospitals who can provide treatment at preferential rates. If you are hospitalised in a hospital other than our provider network hospital, you shall bear 20% of the claim payable under the policy and our liability, if any, shall only be in excess of that sum. This co-insurance may be waived if there is no network hospital within 30 miles of your address, the treatment you require is not available in a network hospital, or it is an emergency. If you are unsure as to whether a hospital or other medical facility is our network provider, please contact us before undertaking any non-emergency treatment.

what to do in an emergency

Where possible, in an **emergency** situation please contact **our** international customer service team whose details are specified on the back of **your** membership card or in section one of this document. This service is available 24-hours a day, where **our** team of speciallytrained advisors can help co-ordinate arrangements with local **hospitals** or even arrange for an evacuation or repatriation, depending on **your** circumstances. However there may be occasions where **you** have not been able to contact **us** in advance of **treatment** and **you** are admitted to **hospital**. Do not delay in receiving **treatment**. **You** or **your** representative should try to contact **us** at the earliest practical opportunity (usually within 48 hours of the **emergency** occurring). Alternatively make sure that the **hospital** is aware of **your** insurance **cover** with **us** so that they can contact **us** on **your** behalf. **We**, or **our** partners, will then communicate with the **hospital** to enable direct settlement, where eligible.

waiting periods

Certain **benefits** may be subject to **waiting periods**. These **waiting periods** begin on **your policy start date** or on **your date of entry** (whichever is the later) and will be noted on **your certificate of insurance**.

8. general conditions

eligibility

The **policy** is designed as an employee/company fully sponsored and or (partially) paid arrangement. The **policy** is available to employees and their eligible **dependents** (spouse/partner and/or children).

Employees must:

- be employed full time by their employer by which we mean 21 hours per week or more.
- be aged under 65. If the employee is aged 65 or over, this must be declared to us in writing and will be subject to agreement by us. The maximum age of coverage in any event is 80.
- · live or work within the geographical area of cover selected by your employer.

Your cover will continue under the **policy** until **you** cease employment, **cover** is removed by the **policyholder**, **you** cancel **your cover** of **your** own accord, or retire from employment.

Dependents applying to the plan must be living with the **principal member** (employee).

Dependant children must be under age 19 (or under 26 if a full-time student) and may remain covered under the **policy** until the first **renewal date** following their 19th birthday (or 26th birthday where in full-time education) at which time their **cover** under the **policy** will end.

We will pay for **new born care** for the first 30 days from birth of a **new born** baby under the **policy**, where the mother/ father of the **new born** is covered as an **insured person**, the **policy** includes **new born care benefit** and **dependents** are covered under the **policy**. For full **cover** and **benefits** to apply to a **new born**, he/she is required to be enrolled into the **policy** as a **dependant**. Where the **new born** is enrolled after 30 days from his/her date of birth, he/she may be subject to eligibility restrictions. Where the **policy** does not include **new born care**, a **new born** would only receive **cover** and **benefits** once enrolled as a **dependant** under the **policy**. The **new born care benefit** is not applicable where **dependents** are not included in the **policy**.

Dependents will remain covered by the **policy** whilst the **principal member** remains employed by the **policyholder**.

additions, modifications and cancellations

To add or cancel any **dependents** under this **policy** or to modify any details, please consult with the **policyholder** (**your** employer).

For any addition or cancellation of members to the **group agreement**, **we** require notification from the **policyholder** (**your** employer) within 30 days following the date on which the addition or cancellation is to be effective. Beyond that time, **we** reserve the right to make the required change on the date of notification or invalidate the **cover**.

For enrolment to the **group agreement**, **date of entry** cannot be backdated to account for claims that have already occurred. Additionally, for any cancellation to the **policy**, **we** will not be able to backdate the cancellation if claims have been processed or if **pre-authorisation** has been granted.

We are entitled to refuse, accept or impose terms for an application submitted by **you** or by any **dependents** and also reserve the right to ask for evidence of age, state of health (including medical records), employment status and proof of full-time education, adoption or any other change of circumstances at any time during the **period of cover**.

death of the principal member

Should the **principal member** die, their partner or spouse (provided they are already covered by the **policy** as a **dependent**) will automatically become the **principal member** for the remainder of the **period of cover** or, if earlier, the date on which their **cover** under the **policy** comes to an end.

start date and renewal date of cover

Your cover under the policy is effective from either your date of entry, or the start date of the policy (whichever is the later) as shown on your certificate of insurance and is renewed annually the day following the expiry date thereafter. This is normally in 12 month periods unless otherwise agreed between us and the policyholder. You will receive a certificate of insurance at the beginning of each new period of cover. Your cover is renewed (by way of premium payments) by the policyholder under the group agreement. Both your cover renewal date and the group renewal date are shown on your certificate of insurance.

premiums

The **policyholder** has taken out the **policy** with **us** and is responsible for paying the premiums due under the **policy**. If the **policyholder** (**your** employer) fails to pay those premiums or comply with the terms and conditions of the **policy we** may terminate the **policy** and refuse to pay claims.

alterations to the policy

We may change the premium rates, **benefits** and terms and conditions of the **policy** from time to time, but any such changes will not apply until the next **renewal date** following the introduction of such changes, unless **we** are legally obligated to do so beforehand.

termination

Your cover under this **policy** will end in each of the following situations:

- the policyholder has failed to pay the premium on the date due. At our discretion, we may reinstate cover if the outstanding premium is paid to us although we reserve the right to make any variation in the cover provided
- where you have misled us either by misstatement or concealment of a material fact or otherwise failed to act in good faith
- where you have failed to observe or breached the terms and conditions of the policy
- where you have either acted in a fraudulent manner or submitted an exaggerated claim
- on the date the **policyholder** advises **us** that **you** are no longer to be covered by the **policy**.

We will have no liability to pay for **treatment** received after the date the **policy** is terminated even if **treatment** has already been pre-authorised but not received as at the date of termination.

other insurance

If there is any other insurance covering any of the **benefits** that are provided under the **policy** for which a claim is made, then **you** must disclose this to **us** at the time of submitting the claim. In these circumstances, **we** will not be liable to pay or contribute more than **our** proper rateable proportion.

If it transpires that **you** have been paid for all or some of the claim costs by another source of insurance **we** have the right to a refund from **you**. We reserve the right to deduct such refund from **you** from any impending or future claim settlements or to cancel **your policy** from the **start date** of the **policy**, or **your date of entry** (whichever is the later) without a refund of premium.

subrogation

If we feel it is appropriate we may exercise rights of subrogation. This means that if you have suffered an injury of loss that has resulted in a claim under the **policy we** may take over your right to seek compensation from the party that caused the injury or loss.

help and intervention

Our provision of help and intervention under the **policy** is subject to national and international laws and the availability of qualified medical facilities. Whilst **we** will do **our** best to overcome any local restrictions there may be times when these either prevent **us** from providing help and intervention or limit **our** ability to do so.

third party rights

The **policy** is a contract between **us** and the **policyholder**. The **policyholder** is the only entity with the right to enforce the terms of the **policy** or, with **our** consent, to vary its terms. We have agreed with the **policyholder** that third parties will not have any right to enforce the **policy**. This does not affect **your** right to bring a complaint against **us**.

governing law

The **policy** has been issued in accordance with and is governed by the laws of the United Arab Emirates unless otherwise specified on the **certificate of insurance**

9. how to make a complaint

The most important thing for **us** is to help resolve **your** concerns as quickly as possible. Upon receipt of **your** complaint, **we** will do all **we** can to resolve **your** complaint by the end of the next business day. However, if **we** can't do this, **we** will contact **you** within five working days to acknowledge **your** complaint and explain the next steps. Letting **us** know when **you** are unhappy with **our** service gives **us** the opportunity to put things right for **you** and improve **our** service for everybody.

You can call **us** on: Tel: +971 4 295 6700

or write to: Dubai National Insurance & Reinsurance PO Box 1806 7th and 9th Floor Dubai National Insurance Building Opposite Deira City Centre Deira, Dubai, U.A.E

To help **us** resolve **your** complaint, please supply the following information:

- your name and membership details
- a contact telephone number
- a description of your complaint
- any relevant information relating to your complaint that we may not have already seen.
