

A close-up, low-angle shot of a swimmer in a pool. The swimmer is wearing a silver swim cap and goggles, with water droplets on their face and cap. They are looking down, and their arms are raised, holding the sides of the cap. The background is a bright blue sky and a distant city skyline. The water in the pool is a vibrant blue, with some ripples and light reflections.

05 SOURCE OF WEALTH DETAILS

The Insurance (Anti-Money Laundering) Regulations 2008 requires all Isle of Man life companies to make enquiries as to how an applicant has acquired the monies to be used as payment for their plan. This reflects the Isle of Man's commitment to maintain the highest possible standards of business practice and to counter money laundering and the financing of terrorism.

RL360 has adopted a risk-based approach to meet these regulations, categorising all countries that we will accept business from into 1 of 3 tiers. Each tier has different source of wealth requirements. We have categorised countries according to their level of compliance with international regulatory standards.

Full details on the source of wealth procedures can be obtained from your financial adviser or can be downloaded from www.rl360.com/sourceofwealth.pdf.

07 **ADDITIONAL INFORMATION**

If you have no additional notes, please continue to Section 08 - Declaration.

Plan literature

I confirm that I have read a copy of the plan literature including the Product Guide, Key Information Document and Terms and Conditions.

My application

I confirm that all of the information provided in this application, along with any supporting forms, questionnaires, statements, reports or other information is true and complete.

Availability

I confirm that to the best of my knowledge and belief, I am not subject to any legislation that would make my investment into this plan unlawful.

Financial adviser

I have appointed to act as my financial adviser.

I agree to RL360 disclosing all information relating to my plan to my appointed financial adviser. I will let RL360 know in writing if I decide to change my appointed financial adviser.

Illustration

I understand that my Illustration is not guaranteed by RL360 or my adviser, and only offers an indication of what I might get back under a limited number of scenarios. I accept that RL360 is not responsible for monitoring whether my plan's performance matches the assumptions made in my Illustration.

Key Information Document (KID)

I confirm that I have included a signed KID with this application. I understand that the KID sets out the details of my plan, and by signing it I acknowledge that I am aware of the charges that will be deducted. I am also aware that the details that I have provided in Section 03 – Plan Requirements must match my signed KID. If they are different RL360 will ask me to sign a new KID matching Section 03 – Plan Requirements before it can allow my plan to start.

Investment

I am aware that RL360 does not provide investment advice. I request that RL360 allocates the payment to the assets detailed in Section 04 – Asset Requirements. In order for RL360 to do this, I confirm the following:

- a) I agree to RL360 acting on dealing instructions received from me or the appointed investment adviser, and I will read the documentation issued by the asset manager for each asset prior to selecting it for the plan.
- b) Where the payment is allocated in full or in part to any cash deposit account(s), I am aware that I may not be covered by any depositors compensation scheme should the deposit account provider become insolvent. I am aware that this is because RL360 holds this account on my behalf.

I acknowledge the risks associated with linking a cash deposit account to the plan and accept that in the event of the insolvency of my chosen deposit account provider, RL360 will have no responsibility for any loss and I could lose the full amount invested.

I am aware and acknowledge that the deposit account provider I choose to invest with may not be an institution or subsidiary with which RL360 would normally hold balances or deposits.
- c) I am aware that some assets (including cash deposits) may have terms and conditions that could:
 - i) restrict RL360 from realising a cash value when requested and prevent RL360 paying out benefits from the plan in a timely fashion.
 - ii) result in RL360 receiving the cash value from a sale in multiple instalments. If this should happen RL360 has the right not to re-invest or pay in full, benefits from the plan until the amount has been received in full.
 - iii) result in RL360 receiving a payment from a sale by a means other than cash. If this should happen RL360 may require us to cancel some or all of the plan.
 - iv) result in RL360 having to pay back some or all of the sale proceeds if an adjustment has to be made after the payment. If RL360 is required to make such a repayment and the plan value is too low to cover it, or I have cancelled the plan, I agree to compensate RL360 for any loss that it has suffered as a result.
- d) I accept that RL360 has the right to sell assets linked to the plan without requiring my permission. RL360 may do this if it decides that an asset may have harmful legal or tax consequences under law.
- e) I am aware that there may be fees to pay when RL360 sells one or more of the assets linked to the plan. Any fees due when selling an asset should be detailed by the asset manager in the asset documentation.
- f) I confirm that I am aware of the fees that must be paid in relation to the chosen assets. I realise that these fees are required to cover the costs of promoting and distributing the assets, including any commission paid to my appointed adviser(s).

THE BENEFICIARY TRUST

Completion of this trust deed is optional.

This form should be completed if you are the owner(s) of a RL360 plan and want the benefits to go to one or more adults and/or children as beneficiaries in the event of your death.

This form invalidates all previous beneficiary designations therefore it is important that it includes all details of all the persons whom you wish to benefit.

You cannot use this form if you wish to create a gift for UK Inheritance Tax purposes.

If you cannot enter the details asked for in the space available, please make a note on the form and attach a page containing those details.

This trust comes into effect upon the death of the Relevant Person. The plan benefits are then payable to the trustees for the benefit of the beneficiaries in accordance with the provisions in Part C of this form. **At such time as this trust comes into effect it may be necessary for RL360 to obtain the appropriate identification documentation in respect of the trustees and any beneficiary to whom benefits are to be paid.**

The plan owner(s) and the trustees must sign this form at Part D.

INHERITANCE LAWS AND BENEFICIARY DESIGNATION

Some countries have laws governing the distribution of a person's estate on their death. Although the beneficiary trust technically removes the benefits of the plan from your estate, this could be challenged. The legal basis for such a challenge would be that the rights of heirs may be placed above individual rights to pass on assets on trust to other parties. Authorities responsible for judgements in such cases may use discretion and uphold your wishes (as

expressed by using this form). However, to avoid any doubt, you should seek advice in choosing an appropriate course of action.

CHANGES TO BENEFICIARIES

Completing a subsequent form can change those named as beneficiaries in this form.

THE RELEVANT PERSON

The plan owner, or where there are joint plan owners, the last surviving plan owner. Where there are joint plan owners, the terms of this document will have no effect unless both owners are deceased.

RELEVANT EVENT

The death of the Relevant Person(s).

TRUSTEES

Trustees must be appointed to act after your death and give instructions concerning the plan or any benefits arising from it. RL360 Insurance Company Limited ("the Company") cannot be responsible for any actions or omissions by those trustees.

TRUST FUND

The plan benefits of the plan detailed in Part A of this trust deed.

INTERPRETATION

The Company will carry out the instructions given by you as plan owner(s). It cannot be held responsible for any misunderstanding made when the form was completed or any changes in circumstances affecting who should benefit from the plan. If any challenges are made to the validity of payments made under your instructions in this form, they must be addressed to the recipients of any benefits.

ASSIGNMENTS

If you assign the plan specified in this form as security or collateral to a financial body (such as a bank), that assignment will take priority over beneficiaries' claim to any benefits designated here.

BENEFITS WHERE NO BENEFICIARY SURVIVES

If no beneficiaries are alive at such time as any benefits become payable, all benefits will pass to the estate of the plan owner or where there are joint plan owners, to the estate of the last surviving plan owner.
