Example

Based on GBP, USD and EUR 10,000 deposit, for each of the above accounts: -0.05% reduction on your GBP account will equate to a reduction of £5.00 in annual interest, an increase of 0.05% on your USD account will equate to an increase of \$5.00 in annual interest and a reduction of -0.01% on your EUR account will equate to a reduction of €1.00 in annual interest.

Please note the standard rate for our Online Bonus Saver is paid regardless of any withdrawals you may make. You will receive the bonus rate for every calendar month where you don't make any withdrawals. AER stands for Annual Equivalent Rate. This shows you what the gross rate would be if interest were paid and compounded throughout the year.
