Fee schedule Single Investment SIPP

Hornbuckle

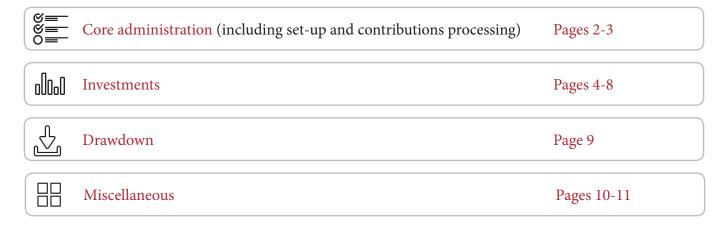

Your specialist pension provider

For more than 30 years we've provided our pension members with access to specialist pension products and services. Our focus is always on providing our customers with the right solution through a combination of pension and investment expertise, the right risk controls and service excellence.

Understanding our fees

This fee schedule has been prepared to ensure we provide you with complete transparency about all of our fees. This ensures you have all the necessary information to fully understand the cost of running a plan with us, helping you to make an informed decision. Our pricing structure is designed to ensure our charges are appropriate for the risk and additional administration work associated with more complex asset classes. We normally require our customers to appoint and retain an appropriately regulated and authorised adviser, and additional fees may be incurred to cover the increased risks and costs involved if you do not do so.

Our fee schedule is divided into four sections:

Time-based charges

We will apply a charge for time-based activities where we provide services outside of our standard charges. It is rare for this to happen, but when it does, we will tell you in advance of the work being done. Our hourly rate for this type of work is typically £150+VAT.

Third party costs

The plan may be liable for fees relating to work completed by other professional parties (e.g. solicitors, surveyors) on our instruction as trustee. All legal fees or other expenses that are incurred by us in relation to an account or investment transfer will be charged to you.

This fee schedule is effective from 1 February 2016 until further notice.

All fees in this schedule are shown exclusive of VAT, which will be due in addition.

This fee schedule applies to the following pension plans and forms part of their terms and conditions: Hornbuckle Mitchell SIPP, The Private Pension, The Hornbuckle Mitchell Private Pension and Hornbuckle Mitchell Protected Rights Personal Pension. You can find these documents on our website www.hornbuckle.co.uk.

To discuss the fees covered in this document, please contact your adviser or our Client Servicing team on 0844 728 9090 or email clientservicing@hornbuckle.co.uk.

1A: Setup and management fees

To establish a SIPP plan we undertake a range of activities, including setting up a banking facility for the plan and processing cash transfers from other pension schemes, if you want to consolidate your pension savings in your SIPP.

Our core administration fees cover a number of activities related to the ongoing management of your plan, including our tax and regulatory reporting duties. These fees are in addition to any fees related to specific investment types, which are covered in later sections of this document.

Our annual management fees depend on the type of assets held in your plan. For details of which asset types fall into the different categories set out below, you can refer to the separate permitted investments schedule on our website.
