### **Guidance notes**

The information required to complete the first three columns can be found in the Investment Guide.

ISIN code - Please insert the corresponding ISIN code for each fund required.

Fund name - Please insert each fund name as it appears in the Investment Guide.

Fund currency - Please insert the fund currency as there maybe more than one option for the fund you wish to invest in.

It is important that you correctly match the ISIN code to the fund name and currency to avoid errors and potential delays.

### Important notes

### **Processing switches**

We will process your instruction to switch on the day on which we receive it, subject to:

- your instruction being received by 12pm (UK time) on that day
- · our offices being open for work on that day
- · all necessary documentation being supplied
- compliance with your policy Terms and Conditions.

If, for whatever reason and further to the above criteria, we are unable to process your instruction on the day on which we receive it, we will process it on our first working day thereafter.

### General

Where the provider of a fund linked to your policy becomes insolvent, your policy will incur the loss.

Where applicable, please ensure that the authorised signatory list(s) that we hold for this policy are up-to-date before submitting dealing instructions. Where authorised signatories have changed and we are unable to match those on this form with our records, this will delay switching.

We are not authorised to provide you with investment advice, and we would always recommend that you consult a professional before making investment decisions.
